

Remarks

In the *Notice of Drawing Inconsistency with Specification*, the Office stated that "Figures 16, 17 and 18 are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification".

In response, applicants have amended the "Brief Description of the Drawings" to include a reference to FIGs. 16-18, thus bringing consistency between the drawings, the Brief Description of the Drawings and the specification.

With this amendment, applicants believe that the case is now ready to issue. If any questions remain, please contact applicants' attorney at the telephone number listed below.

Respectfully submitted,

Vipulkumar Patel et al.
